EXPERIENCE

Full Stack Developer *Jun 2024 — Present*
SQLI

Full Stack Developer *Feb 2024 - May 2024*
Quinten

Worked with a team on the PharmIA dashboard using React, TypeScript, and Python (FastAPI) to help hospitals monitor patients and assist pharmacists in making informed decisions by displaying patient information, conditions, and prescriptions.

Front End Developer *Jan 2023 - Jan 2024*
SQLI

- Crafted engaging user interfaces with React, Vanilla JavaScript, and JSP, boosting user engagement and streamlining site functionality.
- Collaborated on a cross-functional team to architect and implement a proof-of-concept (POC) instrumental in the acquisition of Voo by Orange.
- Contributed to the development of **Zuny** and **Voo** projects, showcasing adaptability across diverse web applications.
- Collaborated on a proof-of-concept architecture, implementing Next.js, Contentful, GraphQL, and Commercetools components to demonstrate expertise in modern e-commerce technologies.

Full Stack Developer *Aug 2021 - Dec 2022*
Harmony Technology

- Led the complete development lifecycle of multiple projects, expertly utilizing React, Next.js, Tailwind CSS, Node.js, Express, and Nest.js to deliver robust web applications.
- Designed and implemented RESTful APIs, integrating various third-party services and ensuring seamless communication between front-end and back-end systems.

Full Stack Developer (Internship) *May 2021 - July 2021*
ImpactPixel

- Developed a Shopify application using Node.js, React, and MongoDB, extending core platform functionality to meet client-specific needs.
- Designed and implemented scalable data models in MongoDB to support the growth of Shopify stores, ensuring application performance under load.

SKILLS

Programming Languages

JavaScript (ES6), TypeScript, Python, Golang.

Libraries & Frameworks

NodeJs, NestJs, Express, FastAPI, ReactJs, NextJs, Remix,

Tools & Platforms

Git, Docker, Postgresql, MongoDB, Redis, Jest, Docker, Jira, Firebase, Strapi, Keystone, Shopify.

SELECTED PROJECTS

Image Optimizer

Developed an image optimization app that reduced file sizes by an average of 20% while maintaining image quality, resulting in a 15% improvement in website loading speed.

PreOrder Now & PreSale

"Pre-Order" directs to the regular order page. Boosted sales by allowing purchases when out of stock by replacing "coming soon," "sold out," and "out of stock" buttons with a compelling "pre-order now" choice, mitigating potential sales losses.

EDUCATION

Bachelor of Science in Physics

2016 - 2019

LANGUAGES

Arabic: Native

English: Proficient

French: Beginner
